News & Happenings

December 2013

Shop News:

Celebrate Small Business Weekend! Looking for handmade Christmas gifts? Skip the Black Friday craziness and visit us to celebrate Small Business shops. In honor of this day, we're hosting local artisan craft items. You'll find a variety of offerings at affordable prices.

We will not be accepting any items until January 2nd. We need to finish processing items we've already received in preparation for year end inventory. Due to our limited storage area, we are not able to hold anything as well.

We haven't finalized our Christmas closure dates yet, so watch for our update in December.

Charity News:

We received 8 lap quilts for the Visiting Nurse Association in November. If you were working on a lap quilt but was unable to finish it in time, we plan to adopt VNA again in 2014 if you haven't found a home for your lap quilt.

Planning Calendar for upcoming Adopted Charities:

January: [Project Valentine](#). Project Valentine's mission is to make life a "little sweeter" for individuals undergoing cancer treatment in the Denver metro area. Since 2002, our generous volunteers and contributors have created or donated items for hundreds of care packages. These care packages are lovingly assembled and hand-delivered each year to men, women and children undergoing cancer treatment on or around Valentine's Day. Check out their website for ideas on care package items.

Charity of the Month: Golden Christian Action Center: Food Bank

For December, we will be filling the shopping bags that were donated in October. The [Golden Christian Action Center](#) provides immediate crisis assistance to persons residing in Golden, CO. So, if you have a moment, consider bringing in canned fruit, canned beans, canned vegetables, canned meat or tuna, peanut butter, dry pasta or soup. Personal items can be toothpaste, toothbrushes, disposable razors, shampoo, soap, Kleenex. We'd like to deliver the food/personal items before Christmas, so the **deadline for drop off here at the shop is Friday, December 20th.**

Work Day: Another work day is scheduled for the quilt project that we started in October. Fabric and lunch provided, bring your sewing machine.
