The Thrift Store for Crafters

News & Happenings for July 2014

---

## Shop News:

Happy Birthday, America!! Isn't it nice we can have fireworks this year without the threat of fire! We hope you have a fun, but safe, 4th of July! Enjoy your family and friends whether it's camping in the mountains or having a cookout in the back yard.

The Craft Box will be closed on Friday, July 4th. We will be open on Saturday, July 5th, opening at our normal 10:00 a.m., but will shorten the day by closing at 3:00 p.m.

**Christmas in July Sales Extravaganza!** Get a jump on your Christmas craft supplies and projects! The back room will be pack full of all things Christmas beginning Friday, July 11th and extending through Saturday, July 19th. Sue's sister, Lori—aka our Director of Special Sales Events—has been going through all those forgotten boxes in the back and pulling out craft supplies like crazy! There will be fill the bag and/or box opportunities for books, patterns, fabric, stamps and paper. All of our Christmas stamp sets will be available for you to get your Christmas cards started. We'll be sending out an e-mail on July 10th with more details. We hope you'll be able to stop by and check out the deals!

Just so you know, we are planning to expand the shop portion and decrease the back room area after the Christmas in July event. This will involve reorganizing sections of the shop and possibly new fixtures. We did explore the possibility of relocating, but have decided it was financially prudent to stay where we're at and work on our organization skills. Isn't that what most of us crafters do?

## Drop-Off Status:

**Due to the special sales event from the 11th to 19th, we cannot take any items until after July 19th.** We really don't like having to do that, but during the back room sale, we don't want to get your things mixed up with the sale items.

## Charity of the Month: Veteran's Affairs

We're supporting Veteran's Affairs this month—and what they'd like to receive are knitted caps and scarfs for men. Colors need to be male-appropriate, such as brown, navy, black, tan, rust, green, or red. If the caps and scarfs match, that's great. Designs are just the normal, simple style. We'd like our vets to feel proud of wearing something homemade just for them. Deadline is July 31st.

## Class News:

No Classes are scheduled this month so we can focus on our Christmas in July Sales Extravaganza! We are planning on fall classes geared to Christmas card and gift making. If you have something in particular that you'd like to have a class on, please let us know!
