CHARITY OF THE MONTH:

Visiting Nurses Association

For June, we will be making lap sized quilts for the Visiting Nurse Association. VNA is Colorado's leading nonprofit health care agency, providing quality and compassionate care. These lap quilts go mostly to patients in hospice care. A good average size is 30" x 40", which fits well over the lap and legs of a wheelchair bound patient. The lap quilts can be knitted, crocheted, or a sewn quilt.

Drop-off deadline: Tuesday, June 30th.

FEEDBACK ON THE ALZHEIMER'S QUILTS:

"Wanted to let you know what a HUGE hit the quilts are. I had a patient in yesterday who had a stroke 8-9 years ago and no longer speaks or walks, and her face completely lit up when I put the quilt on her lap. I got a blood sample and she didn't even notice, and I didn't have the heart to take the quilt back when she left, so she went to her next appt in the clinic with her quilt. Her daughter was over the moon, so happy with how happy and engaged she was for her medical appointments! So please let your volunteers know that they are absolutely wonderful. "
