Charity of the Month: Karlis Family Center

In May, we honored Mothers and for June, we want to support Fathers and Families in distress.

The Karlis Family Center provides a safe environment for children to spend time with their non-residential parent(s), keeping the safety of the child and the victim parent as the highest priority, through supervised therapeutic visits, supervised visits, off-site visits, safe exchanges, and parenting after divorce classes.

A way you can support the Karlis Family Center is to provide simple craft materials for the "Craft Corner" - a place where children and their non-residential parent can do something together to help foster communication. Suggestions include construction paper, craft scissors, stickers, idea books, friendship bracelets, and adhesives.

Charity News

We appreciate all of the wonderful contributions in May for the Florence Crittenton Services. Your generosity brought smiles and help to young families in need.

Be sure to check out our June Charity: The Karlis Family Center. Details of the services this center provides is above. We want to make card packages for the child and parent to work on together—the packages would be pre-stamped with images that the child could color. Cardstock, ink and stamps will be at the front counter—so when you stop by, stamp an image for the card.

The Firehouse Quilts 8th Annual Quilt Show is still taking quilt entries for their July 19 and 20th event. The theme is Patriotic. It will be held at the Douglas County Fairgrounds Events Center from 10a—5p with a \$7 admission fee. There will be live music, classes, demo's & kids krafts, make and takes, vendors, bed turning, and Quilt appraisals by Cindy brick will be available with an advance appointment. (303-772-7684). Final deadline for quilt entries is June 21. See their website for forms and info: www.firehousequilts.org

What's New and What's Low in Supply

We've received a lot of wonderful paper crafting items in the past few months—we just had some obstacles in getting them on the shelves in a timely manner. New on the shelves: Creative Memories albums, refill pages, sticker packs and punches; Cuddlebug, Sizzix and Nestabilities dies and embossing folders; Stampin' Up ink pads; Color Box petal inks; Kaledoscope inks, Stampin' Up/Creative Memories/Basic Grey cardstock and designer papers, among others.

Our fabric inventory is lower than we'd like. Do you have any cotton fabric, flannels and fleece that are taking up space in your craft room? Please consider bringing them to us for store credit or \$\$\$.

Creative Memories catalogs! Do you have any laying around that you don't want any more? We're excited to see so many wonderful Creative Memories items coming in, but would love to have some cattles to help us price them. Any year would be welcome.
