

The Craft Box

The Thrift Store for Crafters
News & Happenings for March 2016

SHOP NEWS:

This month has two events: St. Patrick's Day and Easter! So many things to do and create! Stop by to see what new items have been added to the shelves!

We are in the midst of working through changes to our website. Just like everything in life, it's a work in progress. Key changes:

1. We want to share photos of your craft creations! We're working out how to make it easy for all concerned.

2. We want to support craft instructors. We are often asked if we are offering classes. Sadly, we can't, but we want to provide contact information for those who do teach.

3. We want to support charities more than we're currently able. So, we'd like to have charities listed so that you can directly donate to them.

More details will follow in April's Newsletter.

Charity of the Month:

Quilts for Alzheimer's & Dementia patients

We have quilt packets available for pickup to make 30" square quilts for patients suffering from Alzheimer's disease and dementia. Touching or rubbing fabric seems to reduce stress in these patients so these quilts made of various textures and fabrics are very helpful in encouraging touch and interaction. They are sometimes called fidget quilts. Please stop by the store for more details and to pick up a fabric packet. This will be an on-going project, so there isn't a specific deadline.

DROP-OFF STATUS:

Appointments are now being taken for May 2016. We are not accepting rubber stamps.

Please remember—3 boxes/bags max. Donations don't need an appointment, but please limit the box/bag count to 3.
