

The Craft Box

The Thrift Store for Crafters

News & Happenings for November 2014

Shop News:

Thanksgiving Thanks! This year has flown by! We are thankful for so many things—loyal customers who've become good friends, fellow crafters who "get" what the Craft Box is all about and share us with other crafters, people who volunteered their time so freely and willingly to help us relocate to our new location, but especially family and friends who love and support us with their time, words of encouragement and occasional glass of wine! We hope you get to spend time with family and friends during this coming holiday season.

Fall and Christmas Supplies are out on the front two display tables. Now is a good time to get started for those holiday crafts!

The Craft Box Thanksgiving Schedule: We will be closed for Thanksgiving Day, Nov. 27th, but will be open again on Friday and Saturday. Saturday is Support Small Business day—so stop to get a break from all the Black Friday (and Thursday!) craziness.

Class News:

Classes scheduled for November:

Faux Quilt Card: 2 Classes: Five Spot

Friday, Nov. 14 and Saturday, Nov. 22;
1:00 p.m.—3:00 p.m. \$10.00. RSVP to hold your spot.

Christmas Card Stack: Make 12 Christmas Cards in an afternoon. Join Rochelle for fun-filled afternoon. Saturday, Nov. 15; 1:00 p.m.—4:00 p.m. \$30.00.

Drop-Off Status:

We're currently accepting items. However, please call us if you're bringing in 3 or more boxes. Your inventory helps us—and we want to make sure things don't get misplaced, so we can process everything as quickly as possible.

We will not be accepting any items during the month of December to allow us time to process and inventory the outstanding items for year-end record keeping.

Charity of the Month: Quilts for Alzheimer's & Dementia patients

We have quilt packets available for pickup to make 30" square quilts for patients suffering from Alzheimer's disease and dementia. Touching or rubbing fabric seems to reduce stress in these patients so these quilts made of various textures and fabrics are very helpful in encouraging touch and interaction. They are sometimes called fidget quilts.

Please stop by the store for more details and to pick up a fabric packet.

This will be an on-going project, so there isn't a specific deadline.
